

2017 GED TESTING SCHEDULE

Computer-based test schedule:

At present, there is a GED® computer-based testing centre in Newfoundland and Labrador at M.U.N.'s *Career Development and Experiential Learning Centre* in St. John's, the *Thrive Community Centre* in St. John's and at the *Key-In College (Western Campus)* in Stephenville. All GED® test takers are able to take the test by computer at these sites year-round. The testing schedule for the computer-based test is different from the schedule below. Information on how to register for the computer-based GED® test can be found online at [Registering for the GED® test](#).
