

Contents

Section I - Program Overview and Rationale	1
Program Overview	1
Rationale	1
Context for Teaching and Learning	2
Meeting the Needs of All Learners	2
The Teaching and Learning Process	2
Personal Strategic Health Plan	4
Implementation Issues	4
Effective Assessment and Evaluation	7
Section II - Curriculum Design and Components	9
Course Components	9
Key Concepts, Skills and Abilities	10
Essential Graduation Learnings	12
General Curriculum Outcomes	13
Section III - Specific Curriculum Outcomes	17
Component: Active Lifestyles	17
Component: Healthy Eating	37
Component: Controlling Substances	55
Component: Personal Dynamics	75
Section IV - Appendices	97
Appendix 1 : Groundrules, Handling Sensitive Issues, Self-Reflection	97
Appendix 2 : Teacher and Student Roles	99
Appendix 3 : Sample Assessment Tools	101
Appendix 4 : Resources	107
Appendix 5 : Physical Education Key Stage Curriculum Outcomes	111
Appendix 6 : Family Studies Key Stage Curriculum Outcomes	113
Appendix 7 : Health Key Stage Curriculum Outcomes	117
