
 Title

Legend	

Mike is a student in grade 7 and is learning about circle graphs. Mike has to study regularly in order to keep his grades up. He decided how he should use his study time and recorded it in the table below.

Using the data in the table, label the circle graph correctly. Match the correct percentages with the correct sectors, and create an appropriate title for the graph. Complete the legend and shade the circle graph to match.

Math	30 %
Social Studies	15 %
Lang. Arts	25 %
Science	20 %
French	10 %
