

Foreword

The Curriculum Focal Points for Prekindergarten through Grade 8 Mathematics released in 2006 by the National Council of Teachers in Mathematics (NCTM) and the *WNCP Common Curriculum Frameworks for Mathematics K – 9* (WNCP, 2006), assists many provinces in developing a mathematics curriculum framework. Newfoundland and Labrador has used this curriculum framework to direct the development of this curriculum guide.

This curriculum guide is intended to provide teachers with the overview of the outcomes framework for mathematics education. It also includes suggestions to assist teachers in designing learning experiences and assessment tasks.
