Specific Curriculum Outcomes	
Grade 4: Life Science: Habitats	23
Grade 4: Physical Science: Light	43
Grade 4: Physical Science: Sound	61
Grade 4: Earth and Space Science: Rocks, Minerals, and Erosion	77
Grade 5: Life Science: Meeting Basic Needs and Maintaining a Healthy Body	99
Grade 5: Physical Science: Properties and Changes in Materials	117
Grade 5: Physical Science: Forces and Simple Machines	129
Grade 5: Earth and Space Science: Weather	145
Grade 6: Life Science: Diversity of Life	163
Grade 6: Physical Science: Electricity	175
Grade 6: Physical Science: Flight	197
Grade 6: Earth and Space Science: Space	211

Appendix

Appendix A: Safety in Elementary Science	227
Appendix B: Field Trips	231
Appendix C: Predator-Prey Population Simulation Game	235
Appendix D: Supplementary Work Sheets	239
Appendix E: Unit Materials	245

Acknowledgements

Under the Atlantic Provinces Education Foundation (APEF) common curriculum agreement the province of Newfoundland and Labrador was the lead province in the development of the *Elementary Science Curriculum Guide*. The Department of Education would like to thank the provincial Elementary Science curriculum committee, and the following people for their contribution:

Bradley Clarke, Program Development Specialist - Science, Division of Program Development, Department of Education

Joanna Croke, Teacher - St. Gabriel's All Grade, St. Brendan's

Lorraine Folkes, Teacher - Notre dame Academy, Grand Falls-Windsor

Dennis Galway, Teacher - Bay Roberts Amalgamated, Bay Roberts

Marilyn Inkpen, Teacher - St. Michael's All Grade, Arnold's Cove

Susan Dunphy, Teacher - Greenwood Academy, Milltown

Dana Griffiths, Program Development Specialist - Science Division of Program Development, Department of Education

Paul Mills, Teacher - Robert T. Harvey Elementary, Baie Verte

Odette Squires, Word Processing Equipment Operator II, Division of Program Development, Department of Education

The provincial committee and the APEF interprovincial committee also appreciate the comments and suggestions from the many teachers who used the various draft versions of the document.

Foreword

The pan-Canadian *Common Framework of Science Learning Outcomes K to 12*, released in October 1997, assists provinces in developing a common science curriculum framework.

New science curriculum for the Atlantic Provinces is described in *Foundation for the Atlantic Canada Science Curriculum (1998)*.

This curriculum guide is intended to provide teachers with the overview of the outcomes framework for science education. It also includes suggestions to assist teachers in designing learning experiences and assessment tasks.
