English Language Arts Parent Information

What are Provincial Assessments?

Provincial Assessments are a series of multiple choice and constructed response questions created by teachers. The questions are based on curriculum outcomes and provide data for teachers, school administrators, school districts, and the provincial government. This information is used to inform decisions on teaching and learning.

Who will be assessed this year?

All students in Grades 3, 6 and 9 are expected to write the Provincial Assessments. Exemptions may be considered by the school in cases where students have demonstrated the inability to participate.

How is the data reported?

After the Provincial Assessments have been scored by a panel of teachers, the Department of Education and Early Childhood Development will send results to schools and districts.

When are the Provincial Assessments?

Grades 3 and 6—May 25, 26, 29, 30, 2017

Grade 9—June 14, 2017
