

Special Project Awards

Your school can receive up to \$700 for a Safe and Caring Schools Special Project Award.

Overview

This **Special Project Awards** aims to promote awareness of the Safe and Caring Schools Policy and support districts and schools with policy implementation. Specifically, the goal is to:

- support the implementation of safe and caring school action(s) identified in your school development plan,
- support the implementation of key components of the Safe and Caring Policy such as school-wide positive behaviour supports, code of conduct, violence/bullying prevention, social/emotional learning, inclusive education and/or digital citizenship, and
- help sustain partnerships and effective actions that support a positive school climate.

Eligibility

Regions, individual schools or teacher-sponsored student groups may apply. Projects must be linked with actions identified under the district/ school safe and caring school development goal.

Deadline

The deadline for applications to be received by the Safe and Caring Schools Itinerant for your region is **November 28, 2016**.

Successful recipients are expected to submit a brief summary report, which may include copies of photos, videos or print materials that will be used to publish information regarding the project and its success.

Applications are available at:
