ACKNOWLEDGMENTS

This document is the result of the collaborative efforts of many individuals who contributed their time, ideas, suggestions and criticisms during the various stages of the development process. Appreciation is expressed to many of them.

Special appreciation is also expressed to the members of the Intermediate Home Economics Working Group who were the major developers and writers of the program: Donna Mactavish, Teacher, MacDonald Drive Junior High, St. Johns; and Jill Whitaker, Teacher, MacPherson Junior High, St. Johns.

Special appreciation is extended to Beverley Gardner, Teacher, Mount Pearl Junior High who developed the Money Management Module, edited the final document draft and was a member of the Working Group.

Joan Casey, Education Consultant for Home Economics provided overall supervision for the project, reviewed the draft, and was a member of the Working Group.

Individuals who served as members of the Working Group during the initial stages of development. They are: Tanya Tremblay, Education Consultant, Division of Instruction (Curriculum Section), Department of Education (formerly); Debbie Youden, Teacher, (formerly) Holy Heart of Mary Regional High School, St. John’s; Anne MacDougall, Teacher, Woodland Junior High, Dildo (formerly).

Home Economics teachers with the Bay of Islands-St. George's/Burgeo/Ramea Integrated School District for their suggestions for the Personal Living Space Module.
